Este es el tutorial para solicitar tu historial de identidad al FBI enviando huellas virtuales.

Online

The fastest option is to submit your request online, for both Identity History Summary Checks and Identity History Summary Challenges.

1. Visit edo.cjis.gov.

2. Follow the steps under the "Obtaining Your Identity History Summary" section.

If you submit a request electronically directly to the FBI, you may visit a participating [U.S. Post Office location](#) to submit your fingerprints electronically as part of your request. You may go to any of the participating [U.S. Post Office locations](#) nationwide upon completion of your request. Additional fees may apply.

- If you choose to use a U.S. Post Office location, you must complete your application and payment electronically prior to visiting a U.S. Post Office location to submit your fingerprints electronically as part of your request.
- If you choose not to use a U.S. Post Office location, then you may still mail your completed fingerprint card, along with your confirmation email received when you started your electronic request, to the address listed on your confirmation email. The request will continue to be processed as an electronic submission once the completed fingerprint card is received. Additional fees will apply.
